

Audition - Singing Information

Below are the song(s) we would like you to sing, and they are dependent on the role you have chosen. Please make yourself familiar with the song (s) assigned to your choice of character. Where there are two songs given: one for the audition and another to be sung if we need to call you back for a further audition.

During the audition, we are not just listening to see if you are tuneful, but also that you can project, have clarity of diction, and engage with the audience.
